Minuteman Household Hazardous Waste Instructions

Due to the Covid-19 pandemic the following rules are required. **Non-Member communities will not be admitted until further notice**, only Member Communities (Arlington, Bedford, Belmont, Concord, Lexington, Lincoln, Waltham, and Watertown) will be permitted to enter. In addition to their name and address residents are now required to provide a contact phone number for Covid-19 tracing purposes. We ask for your patience during the events as the lines and wait time may be extended.

- Clean Harbors will **not** be allowed to accept any material handed to them, and will **not** retrieve any material from the front or back passenger seats. Hazardous material will be retrieved from the trunk, back of SUV's, or pick up truck in order to maintain six feet of social distancing.
- Clean Harbors will **not** be allowed to return any containers/baskets/bins/cans or jugs.
- Do **not** Exit Vehicle—residents who exit their vehicle will be asked to leave.
- Face masks/face covering are mandatory.
- Do Not Roll Down Vehicle Windows
- Have license and/or registration form in hand and ready to hold up to inside of vehicle window for Clean Harbor's registrar to read.
